Aspiring Interaction Designer with a solid foundation in user-centric design principles gained through Kennesaw State University. Completed many projects focused on UX/UI design, wireframing, and prototyping. Proficient in tools like Sketch, Figma, and Adobe CC applications. A detail-oriented team player eager to contribute innovative ideas and learn from experienced professionals in the field.

Projects

Fare – Senior Capstone

Jan 2022 – April 2022

- Led design thinking sessions to gather user insights and refine interface design.
- Developed low-fidelity wireframes and iterated to high-fidelity prototype based on user feedback.
- Enhanced user experience through usability testing and iterative design improvements.

Iris – Interaction Design II

Oct 2021 – Dec 2021

- Collaborated in a cross-functional team to develop a conceptual iOS application.
- Utilized Lean UX methodologies, emphasizing rapid iteration and experimentation.

8Tiv – Interaction Design I

Oct 2020- Dec 2020

- Created a high-fidelity interface prototype to showcase app functionality and address user objectives.
- Developed persona illustrations and performed competitive analysis for informed design choices.
- Conducted user interviews and usability testing to support the research phase of design.

Work

Disney College Program Intern

Disney Experiences

Jul 2023 - Present

- Received recognition for outstanding performance and dedication to delivering the Disney experience to guests from diverse backgrounds.

Instructional Aide

Discovery Point

Mar 2023 - Jul 2023

- Adapted teaching methods to suit various learning styles and individual needs, ensuring personalized support for 20+ daycare students daily.

Gusto! East Cobb

Jul 2021 - Feb 2023

- Collaborated on implementing efficiency strategies, leading to a 25% reduction in service time.

Student Assistant

Kennesaw State University

Oct 2020 - Aug 2021

- Demonstrated strong communication skills in assisting students, faculty, and staff with inquiries and administrative tasks.
